Greetings!

Our Membership Drive has begun! The Port O'Connor Chamber of Commerce is a non-profit, volunteer based organization comprised of individuals, home, and business owners interested in promoting business activity in Port O'Connor. Our mission is to strengthen the economic growth in our community. Because we are an unincorporated area, The Chamber of Commerce also acts as a HUGE source of information to our many visitors and tourists. We are a dedicated group of volunteers that are counting on your support to bring new people, businesses and fresh ideas for growth to our community. Take a look at our website, [www.portoconnorchamber.com](http://www.portoconnorchamber.com) for upcoming events, business listings, and so much more!!

Our annual Membership is for one year, beginning in March. We are here to help you promote your business, along with making a positive impact on life here in POC. Each business in our community is unique in its own way. Whether it be the hours you are open, the service you provide or the features you offer, ...you can offer something to someone! There has never been a better time to join the Port O'Connor Chamber of Commerce than in 2017. Being a member of the Chamber of Commerce allows you to take advantage of many benefits:

- An exclusive referral of your business to our incoming inquiries, as well as a business listing on our website – Only Chamber members are referred and published.
- Your membership listing in the Chamber Chat, published in the Dolphin Talk.
- A direct link to your website from our Chamber website [www.portoconnorchamber.com](http://www.portoconnorchamber.com) for an extra \$50 per year.
